TETZAVEH { תְּצַוֶּה } (You shall Command)

Exodus 27:20-30:10, Ezekiel 43:10-27, Hebrews 13:10-16

This study begins with the commandment to the children of Israel to bring the pure olive oil for the light so that the l menorah continually in the tent of meeting. The olive oil was clear, pure quality, pressed from fresh olives – a process of crushing! Sometimes we are crushed to produce this oil, in in order to be al light unto the others around us! Burn bright beloved of Yeshua!

The anointing in Hebrew shares the same root word as Messiah משיח ,(Mashiach), meaning 'The Anointed One' as in, "Why do the nations rage…Against YHWH and against His anointed משיחו (M'shichoh)." (Psalm 2:1-2)

If it feels like our light has become dim, then maybe we need to check if we have allowed seeds of bitterness to take root in our heart? Bitterness will prevent us from enjoying peace – with others, with ourselves, and with YHWH.

YAH filled certain individuals with a 'spirit of wisdom' in order to perform specific tasks and fulfil specific purposes for the construction of the Sanctuary. Even those who made the garments for the priests were supernaturally filled with Divine wisdom for this specific purpose.

The Cohen (priest) was required to wear a special head covering, pants, belt, and shirt – all in white to represent purity. All his garments were designed to display the splendor, beauty and majesty of royalty.

WE ARE ALL CALLED AS A ROYAL PRIESTHOOD UNTO YESHUA OUR KING.

I WANT TO ENCOURAGE YOU TO LOOK AND ACT AS A ROYAL PRIESHOOD!
