MISHPATIM — WHAT YAHWEH IS ACTUALLY TEACHING

Ex 21:1–24:18. Jer 33 -34, matt 5, 15; Mark 7; Acts 23; Heb. 9 -10

Judgments, rulings, case-law—how a redeemed people live when Yahweh is King.

The Core Truth of Mishpatim: Israel is already redeemed (Exodus 12–15).

How does a free people live so they don't become Egypt again? Torah is relational, not abstract.

Justice Is Practical, Not Theoretical; justice protects life, not power.

•Human dignity, Personal responsibility, Restitution instead of revenge, Accountability for harm

Micah 6:8 echoes this later: "To do justice, love kindness, and walk humbly with your Elohim."

The Vulnerable Are the Measure of Righteousness Ex 22:22–24

"You do not afflict any widow or fatherless child…"

Yahweh says He Himself will respond if they cry out.

How a nation treats its weakest reveals who it truly serves.

No Other Elohim — Especially National Idols

Ex 23:13 "Make no mention of the name of other mighty ones…"

This includes: Military strength, Political alliances, National pride, Human wisdom

Yahweh is warning Israel: Do not win the land and lose your soul.

Heavenly Oversight of the Land - Very important for current times

Ex 23:20 "See, I am sending a Messenger before you to guard you on the way…"

•The Land is spiritually governed, Israel's battles are never only physical

Gradual Victory Is Yahweh's Strategy Ex 23:29–30

"Little by little I drive them out…"

Why? So the land is not desolate, so chaos doesn't overtake them,

This shows Yahweh VALUES ORDER OVER SPEED.

Covenant Is Sealed in Blood: Pattern of all covenant in Scripture, lived out by Yeshua

The people say: "We shall do and obey", Blood is sprinkled, Glory rests on Sinai and US!
